A Little Friendly Advice Siobhan A little Friendly advice by Siobhan Vivian is a book every teenage girl should read. This book has a lot of drama with family and friends. Which in my opinion every teenage girl has. The main character in this book is ruby and its her 16 birthday. A Little Friendly Advice by Siobhan Vivian The novel A Little Friendly Advice was a short, quick read. It processed the main points that a book needs (characters, problems, solutions and emotions) but did not give me anything special. I suggest this book to young girls, who desire a good short read that includes girl and boy drama as well as family problems.
