Games System Repository. Videos, Manuals, Game information. All game manuals - Games Database Common accessories for video game boxes. When you look on eBay, you can choose from new and preowned video game boxes. However, some of the replacement video game cases that you find may include additional things along with the case. Some of the items you might get with your game boxes include: Manuals - Your replacement game case may include the original instruction manual for the game. Original Video Game Cases & Boxes for sale | eBay What kind of game information can be found inside manuals? Game manuals vary in their contents, though one thing many have in common is a set of

controls. Most manuals will have a section near the beginning explaining how to move around and interact with things when playing, including more advanced mechanics in some cases. Video Game Manuals, Inserts & Box Art for sale | eBay Protective archival game cases are not only a safe way to protect your retro video games, but also a very appealing way to show off that retro collection you've been working on. Each case is designed using styles from the artwork of the original boxes. For those games that came in a horizontal style box (N64 & SNES), we offer both the original horizontal style and the vertical style designs. Custom Game Cases and BitBox, but UGC had two main benefits over them. One, UGC fit a variety of game carts. So say I need 75 for SNES carts and 25 for N64 carts, I could purchase 100 UGC and be good. But with the two above mentioned alternatives, the cases are specific to a specific cart. racketboy.com - View topic - Universal Game Cases have ...
