analysis (DVD video, 1995)

[WorldCat.org] The purpose is to demonstrate value of future opportunities for companies that strive to maintain stock price growth. In doing so, we challenge the typical engineering economic analysis that views engineering projects in isolation, thereby creating a big gap between theory and practice.

AvaxHome is a pretty simple site that provides access to tons of free eBooks online under different categories. It is believed to be one of the major non-torrent file sharing sites that features an eBooks&eLearning section among many other categories. It features a massive database of free eBooks collated from across the world. Since there are thousands of pages,
