Notre Dame Study Abroad Engineering Notre Dame International (NDI) offers many study abroad programs, but each of them will have a unique set of course offerings. The College of Engineering has coordinated with NDI to arrange for several of the locations to offer a significant number of technical courses that would allow a student to enjoy an overseas study opportunity and still graduate in four years. Study Abroad — College of Engineering And they come away with a heightened sense of curiosity and responsibility for their world. At Notre Dame International, we believe our students can go as far as an opportunity takes them.
