ManualsLib Over the years Perkins
has produced hundreds of different
engines and each can have many
different variants. So how do you

know the exact specification of your
engine? All the information you
need about your engine is included

in the serial number on your engine
plate, which you can use to find the
find the parts to fit on your

engine. Identify Your Engine |

Perkins The unique serial number is

your Perkins engine's fingerprint. It tells us the year and country of manufacture, which parts are used on the engine, the configuration and initial application, and even who bought it.
